KINDNESS DURING THE CORONAVIRUS

During this uncertain and unprecedented time, we all need to remember to be kind, especially to those who are on the frontlines healing and working to keep things going, and to those who are struggling. It is also important during this quarantine to be kind to those around us, our family, friends and neighbors. Here are some things you can do to spread some kindness:

- Donate to your local foodbank
- Wave 'Hi', smile, or get to know your neighbors
- Send a motivational text to someone you know
- Help with a household chore
- Offer to send someone a takeaway or delivery meal
- Arrange with a friend or loved one to watch a movie or read a book at the same time and schedule a time to connect and talk about it

For more ideas, search "Random Acts of Kindness". We hope you all stay inside, stay positive, and stay safe.

PET REMINDERS

Warm weather is approaching! We want to remind pet owners that it is their responsibility to clean up after their pets! This includes your **patio** as this is a health issue.

Your pets are full of surprises, but no one likes to STEP in them. Clean up after your pets and keep them on a leash at all times.

If you have any questions or concerns, please let us know! service@northhoa.com

THANK YOU!

PARKING REMINDERS

If your car is parked in a parking stall and it has not been moved in months because it is not in working order, please remove it as Yorkshire is not a storage unit. If your car is not moved, it may be booted or towed.

MEMORIAL DAY

Memorial Day is the day set aside to remember with gratitude and pride all those who served and died for our country and our freedom. May your day be filled with memories and peace.
